And so it goes...Working from home is now a part of so many Canadians' lives. If a functional workspace is the key to a productive day, maybe a stylishly decorated one can increase productivity even more! Industrial, rustic, playful or glam, these inspiring rooms offer ideas for enhancing your own home office.

PRODUCER MARIANNE DAVIDSON

industrial

Tucked into the corner of a room, the style of this office nook is bold yet relaxed. A white-painted brick wall provides a bright, textural backdrop for the dark-toned furniture, while the woven storage baskets bring in a bit of natural patina that lends the space even more dimension.
