

If you're lucky enough to have a wall of floor-to-ceiling windows in your home, painting a wall a dark colour can work very well to bring coziness and a little bit of drama to your space. Tons of wood finishes and white accents keep the moody aesthetic light and bright.

SAIC Together **PENDANT LIGHT**, \$519, Dylan Graphite Medium Acacia **DINING TABLE**, \$1,299, Dylan Graphite Medium Acacia **BENCH**, \$849, cb2.ca.

No window? No problem! Create any view you want with an accent wall fully covered in a nature-scene mural. We love the walk-in-the-woods vibe here.

WALL MURAL in 900005391, mamurale.com.

Sometimes a simple accessory like a palm tree-look floor lamp is all you need to bring a splash of tropical style into the mix.

Ocean Palm **FLOOR LAMP**, \$599, cb2.ca.

Texture, texture, texture! Natural materials offer depth and create a well-rounded decorating scheme.

Jute **BASKET** with Handles, \$50, zarahome.com.

the bright side

With crisper weather on the horizon, greens, blues and warm wood finishes are bound to make any room in your home cozy. Read on for some designs that can bring the look to life.
