

ONE FAUX COLLAR 3 LOOKS

Instead of layering your favourite pieces over a button-down, cut the bulk and don a faux collar that can go from serious to saucy in a flash.

The faux collar turns this bustier-style top into appropriate workwear. Paired with high-waisted belted trousers and violet sandals, the look is both professional and fun.

The removable collar is making waves in the fashion world.

Historically, these pieces were made for men, but their versatility and ability to change an entire aesthetic in a snap makes them perfect for everyone in today's go, go, go world. And they're pretty to boot!

weekend

Casual yet curated, this ensemble boasts our favourite spring hue in every garment! The white collar and black bag offer contrast to the monochrome look, and the boots tie it all together.

WOW

Styling a jumpsuit is super fun, and we loved using the faux collar and heels to counter the utilitarian vibe this one-piece brings to the wardrobe.
