

All set for the holidays

The dining room is the heart of the feasting festivities, so when it comes to decorating, it deserves some special attention. Let these beautiful table settings in traditional, Scandi, elegant and rustic styles spark your imagination.

Canadian Christmas

A red-and-white colour scheme is so classic and so Canadian! Pops of glitzy gold and forest green complete this warm festive tablescape.

Scandi Serene

Snowy white, ivory, beige, taupe and pale gray mingle to form a harmonious minimalist scene. Natural elements, such as wood tones and greenery, evoke the forest while touches of shimmer call to the stars, creating a setting that is both peaceful and magical.

Fresh Festivities

Green steals the show in this light and bright setting. The table runner adds a pop of playfulness, creating a country-style backdrop for the rattan chargers set atop it. White fir tree decorations and plates adorned with a snowflake pattern add a winter wonderland vibe to the scene.
