

Ladies' Room

Designer Ami McKay mixes delicate details and industrial elements to give two young girls a stunning bathroom with staying power.

TEXT MARIANNE DAVIDSON
PHOTOGRAPHY JANIS NICOLAY

INDUSTRIAL-LOOK PENDANT LIGHTS PROVIDE AN OUT-OF-THE-ORDINARY VIBE.

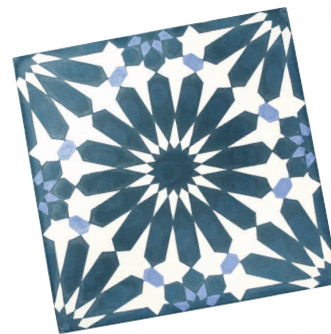

AN EARTHY FLOATING WOOD VANITY KEEPS SIGHTLINES OPEN AND WARMS UP THE ROOM.

SPANISH-INSPIRED HAND-PAINTED TILES CREATE AN ARRESTING FOCAL WALL AND ADD A POP OF WHIMSY.

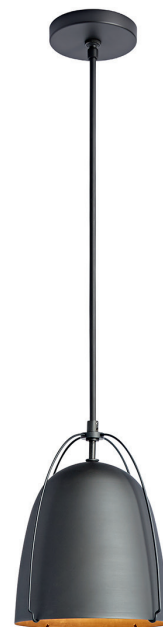

THE SHOWER TILES PULL GREY TONES FROM THE VANITY WALL TILE, UNIFYING THE SPACE. THEIR GLOSSY FINISH BRINGS TO MIND RIPPLING WATER FOR A SERENE SPA-LIKE FEEL.

◀ Encaustic cement Alhambra **TILE** in Federal Blue, Nautical Blue and White, 8", \$16 US per square foot, Clé, cletile.com.
